The Pat Tillman Veterans Center at ASU is committed to creating an empowering environment for student veterans, active military, spouses and dependents as the foundation for their academic success.

We're here for you. Our advocacy team consists of veterans who have successfully navigated the college experience after military service. We understand the challenges, struggles and successes that student veterans and students currently serving may face. We care about each military, veteran and dependent student in the ASU community.

Your transition from active duty to college life is made easier with assistance from the Department of Veterans Affairs staff member at ASU — our full-time vocational rehabilitation counselor.

Contact our VetSuccess on Campus counselor to get more information, guidance, advising, assistance and referrals for:
- VA benefits.
- VA education benefits.
- VA medical centers.
- Disability compensation.
- Vocational exploration and career goals.
- On-campus resources and services.
- Peer-to-peer counseling.
- Federal job searches.

ASU is one of the original institutions selected for the VA program, which helps veterans with services such as vocational testing, career counseling and remediation counseling to promote successful completion of their education and employment goals.

Your next steps:

01. Research and request your benefits.
   - If you will be using VA benefits, such as the GI Bill®, this is the time to ensure that you have applied to use those benefits at ASU. If you will be using TakeAction Arizona, make sure to reach out to your Education Service Officer to get information on their application process.
   - Additional information can be found at veterans.asu.edu/prospective.

02. Connect with your academic advisor and register for classes.
   - Schedule an appointment with your academic advisor before registering for your courses. They will help ensure you take courses that fit into your degree plan and keep you on track toward graduation.
   - Additional information can be found at my.asu.edu.

03. Using VA benefits, complete ASU’s documentation for processing.
   - Necessary forms will populate as tasks on My ASU. Be sure to complete the VA Benefits Responsibility Form to start the initial benefits process. You can submit other necessary forms at veterans.asu.edu.

04. Check your residency status.
   - Most veterans and military members are eligible for in-state residency for tuition purposes. You can check our Residency Navigator for more information.
   - Additional information can be found at veterans.asu.edu/policies.

05. Connect with the Pat Tillman Veterans Center.
   - All ASU students can connect with the PTVC for advocacy support, to find student resources and for any questions you might have regarding your education.
   - Additional information can be found at veterans.asu.edu/prospective.

Brandon Myer nearly dropped out of school in sixth grade and settled for a D-average his sophomore year of high school. You’d never guess it if you met him today. He has now completed his bachelor’s degree in kinesiology and exercise physiology. After high school, Myer volunteered as a school teacher; but soon realized he wasn’t going in the direction he desired, so he joined the Navy, where he served for five years, including one deployment to Afghanistan. While in the military, he started his college education in California and earned two associate degrees — one in medical science and another in exercise science.

Brandon returned to ASU to work on his master’s degree in clinical exercise physiology. He also continued his military service. “Everyone was in my corner and wanted me to succeed,” he said. “Do not give up even though it might seem hard. There is nothing wrong with asking for a little help. Asking for help is empowered him to thrive on campus. “Everyone was in my corner and wanted me to succeed,” he said. “Do not give up even though it might seem hard. Your new team: Pat Tillman Veterans Center

The Pat Tillman Veterans Center at ASU is committed to creating an empowering environment for student veterans, active military, spouses and dependents as the foundation for their academic success.

It's why we are consistently recognized as one of the best schools in the country, both on campus and online, for veteran and the military community.

All of us in the center understand where you're coming from because we are veterans and dependents too. And we hire student veterans through VA Work-Study to help us in this center with customer service and outreach support.

We are your new team.

We're here for you.

Our advocacy team consists of veterans who have successfully navigated the college experience after military service. We understand the challenges, struggles and successes that student veterans and students currently serving may face. We care about each military, veteran and dependent student in the ASU community.

veterans.asu.edu/advocates

We serve the student veteran and military communities on all four metro Phoenix campuses; at ASU's locations at Lake Havasu, Cochise, Central Arizona, Eastern Arizona, Western Arizona and Tucson; and ASU Online.
