

Transfer student next steps **Arizona State University**

Welcome to Arizona State University

You're now on your way to becoming part of the most innovative university in the nation. We've gathered your next steps to help you prepare for the transition to ASU — plus we've added some extras for you to enjoy. You'll be getting a lot of information about ASU in the coming months. This guide highlights the most important things to know so you'll be prepared for your new Sun Devil status.

Your admit packet: what's inside

Your admission letter

It's your official offer to join ASU. You can frame it, put it on the fridge, tweet it, snap it — whatever you do with it, you should be proud.

The breakdown of My ASU

My ASU will be your digital home during your time at ASU, so you need to learn how to use it. Your class schedule, finances, major map — everything you need to stay organized and succeed — are there.

ASU is stuck on you

For your laptop, water bottle, notebook or whatever else you can put stickers on, show off that new ASU pride with your Sun Devil sticker pack.

Your next steps

They say the longest journey begins with a single step. Well, enrolling at ASU isn't really a "long journey," but it does begin with one step, followed by a few more. Start taking your steps and checking them off as you complete them so you can be on your way to becoming a Sun Devil.

Registering for classes

Use the Transfer Guide

The Transfer Guide is a helpful online tool to assist you in reviewing how your credits will transfer to ASU. Manage your Transfer Pathways, requested course evaluations, saved course searches, saved exam searches and more.
