How to pay for college

Financial aid can cover some or all of your expenses, but you have to know the various types of aid out and how to apply for them. It all starts with filling the Free Application for Federal Student Aid, or FAFSA. File as soon as possible to receive the most aid you’re eligible for.

Why FAFSA?

The FAFSA gives you access to many need-based sources of financial aid you might not be able to access otherwise, including:

• Grants (money you don’t repay).
• Federal Work-Study (money you earn from a student job).
• Low-interest federal loans (lower than private loans in the long run).

Steps to complete your FAFSA

1. Go to fafsa.gov.
2. Log into your FAFSA. Learn more about the FSA ID at studentaid.gov.
3. Submit your FAFSA application. Spring 2024 students, select the 2023–2024 academic year to get a head start but apply for Fall 2024 FAFSA as well. The 2024–2025 FAFSA application opens in early December.
