Re: Statement of Assurance and Compliance

As Vice Dean of Mary Lou Fulton College for Teaching and Learning Innovation (MLFC) at Arizona State University (ASU), I confirm that ASU's MLFC

(a) Will be in compliance at all times with all relevant preconditions for the initial program(s) being proposed

And

(b) Will provide all required data reports, including but not limited to data reports and accreditation documents, for all proposed educator preparation program(s)

And

(c) Will cooperate in an evaluation of the program by an external team or monitoring of the program by Commission staff

And

(d) Will participate fully in the accreditation system and adhere to submission timelines

And

(e) The institutional leadership understands that once a candidate is accepted and enrolled in the educator preparation program, ASU MLFTC will offer the approved program, meeting the adopted standards, until the candidate:

- i. Completes the program;
- ii. Withdraws from the program;
- iii. Is dropped from the program;
- iv. Is admitted to another approved program to complete the requirements, with minimal disruption, for the authorization in the event the program closes.

In this event, an individual transition plan will be developed with each candidate.
