2 Create a Transfer Guide account.
Next, create a Transfer Guide account so that you may save your Transfer Map and refer to it later.

3 Complete the agreement form.
After you receive an email confirming account creation, you will complete the Transfer Pathway Agreement Form in the Transfer Guide. This will make you eligible to receive the benefits of the program.

4 Stay connected to ASU.
After completing the agreement form, you'll receive an email confirmation. Watch for communications from ASU to keep you connected to the university as you complete your community college coursework. Continue referring to your Transfer Map to ensure you're taking the right classes to transfer to your ASU degree.
