

Next steps: Arizona State University **First year**

Welcome to Arizona State University

You're now on your way to becoming part of the most innovative and forward-thinking university in the nation. And what better way to begin your college journey than with your very own Sun Devil Starter Kit?

We created this kit to welcome you to the Sun Devil community and help you prepare for your first year — plus we added some fun goodies! You'll be getting a lot of information about ASU in the coming months. This guide highlights the most important things to know so you'll be prepared for Sun Devil life.

Stay up to date with the ASU Mobile app

Through the app, Sun Devils have access to all things ASU — events, maps, directories, Sun Devil Rewards, My ASU, athletics — you name it, it's there.

Your next steps

Enrolling for fall 2021

They say the longest journey begins with a single step. Well, enrolling at ASU isn't really a "long journey," but it does begin with one step, followed by a few more. Start taking your steps and check them off as you complete them so you can get closer to becoming a Sun Devil.

Activate your ASURITE User ID and ASU email.

Your ASURITE User ID grants you access to My ASU and university services. There you'll find reminders for things you'll need to take care of, such as submitting your final transcripts, sending in your test scores and submitting your immunization forms. Set up your ASU email while you're activating your ASURITE User ID.

Give your parents access to your records and account.

Through My ASU Parent Guest Access, you can share your academic records with your parent or guardian, and even better, give them access to pay your tuition and bills. Go to My ASU, select the **Profile** tab at the top and find "Add a Guest" under **My ASU Guest Access Permissions**.
