

# Next Arizona steps: State transfer University

## Welcome to Arizona State University

You're now on your way to becoming part of the most innovative and forward-thinking university in the nation. We've gathered your next steps to help you prepare for the transition to ASU — plus we've added some extras for you to enjoy. You'll be getting a lot of information about ASU in the coming months. This guide highlights the most important things to know so you'll be prepared for your new Sun Devil status.

### Your admit packet: what's inside

#### Your admission letter

It's your official offer to join ASU. You can frame it, put it on the fridge, tweet it, snap it — whatever you do with it, you should be proud.

#### The breakdown of My ASU

My ASU will be your digital home during your time at ASU, so you need to learn how to use it. Your class schedule, finances, major map — everything you need to stay organized and succeed — are here.

#### ASU is stuck on you

For your laptop, water bottle, notebook or whatever else you can put stickers on, show off that new ASU pride with your Sun Devil sticker pack.

### Your next steps

They say the longest journey begins with a single step. Well, enrolling at ASU isn't really a "long journey," but it does begin with one step, followed by a few more. Start taking your steps and checking them off as you complete them so you can be on your way to becoming a Sun Devil.

## Registering for classes

### Use the Transfer Guide

The Transfer Guide is a helpful online tool to assist you in reviewing how your credits will transfer to ASU. Manage your Transfer Pathways, requested course evaluations, saved course searches, saved exam searches and more.

### Schedule appointment with advisor to register for classes

You must meet with an academic advisor before registering for classes. You can find your advisor's contact information on My ASU in the Academic Support Team box. You may want to review the Transfer Guide to view course equivalencies before meeting with your academic advisor.

### Degree Audit Reporting System

Undergraduate students review their degree audit with their academic advisor. Students may request degree audits from DARS Self-Service or from My ASU by selecting My Progress Reports (DARS) under My Programs and eAdvisor.

### Request final transcripts

As soon as you graduate or complete your current semester or term, request for your college to send an official final transcript to ASU's Admission Services.

[admission.asu.edu/transcripts](https://admission.asu.edu/transcripts)

### Submit your MMR immunization verification form

You must submit your measles (rubeola), mumps and rubella immunization form before you can register for classes. You can fax, email or mail your records to ASU Health Services.

## Financial aid and support

### Submit your FAFSA

The 2022–2023 Free Application for Federal Student Aid opens Oct. 1, 2021. Submit your completed FAFSA early. ASU's Federal School Code is 001081.

Transfer scholarships are available to help pay for tuition, housing, books and other costs when you transfer to ASU. You can continue to apply for scholarships throughout your time at ASU.

[scholarships.asu.edu/transfers](https://scholarships.asu.edu/transfers)

### Use the Budget Worksheet

Creating an annual budget is an important part of your ASU experience — it helps you understand your total costs, how your financial aid awards help cover those costs, and any remaining balance due to ASU after your aid is applied.

[students.asu.edu/financialaid/budget](https://students.asu.edu/financialaid/budget)

### Tuition Estimator

Use the Tuition Estimator to estimate how much tuition will cost and how additional scholarships can help.
